
Stakeholdersanalyse

Project: Social Buddy

Name: Khizer Butt

Background

Buddy bot is a company that develops a social robot to take care of lonely elder's need. The project revolves around integrating Flic-buttons to the Buddy Bot app.

Stakeholders

Stakeholder	Involvement	Stakeholder card	Influence
Social Buddy Project team	Direct owner	influencer, manufacturer, decision maker	Direct influence of project state
Healthcare workers	User	User, feedback giver	Feedback on the companion app and buddy bot GUI.
Elderly	Direct user	User, feedback giver	Feedback on the buddy bot GUI
Informal caregiver	User	User, feedback giver	Feedback on the companion app and buddy bot GUI

How will we include the stakeholders during the project in order to fulfill both our end goals?

- ♦ Hold iteration meetings on a regular basis.
- ♦ Give him insight to our planning.
- ♦ Send weekly updates.
- ♦ Inform him of the struggles we will face.
